

OpenUP Blog Competition for Early Career Researchers and Students

OpenUP is offering three funded scholarships to attend the conference to the winners of the OpenUP Blog Competition for Early Career Researchers and Students. This competition is open to early career researchers (i.e, not tenured faculty) and students. Want to take part in this competition? Please see here for the details.

OpenUP project has received funding from the European Union's Horizon 2020 research and innovation programme under Grant Agreement No 710722
